

A hand is holding a smartphone in the lower-left quadrant of the image. The background is a solid green color with faint, out-of-focus images of trees and leaves. The logo for 'intrigue media' is centered in the image, featuring a stylized 'im' followed by the word 'intrigue' and 'media' in a sans-serif font. Below this, the tagline 'Get Noticed. Get Found.' is written in a smaller font.

We believe in helping our clients
Get Noticed. Get Found.®

That's why we have developed a Network of TVs located in high traffic consumer environments.

Your video will be created by us

specifically for your business

catered to your A-Clients.

To help decrease perceived wait time, our TVs are located in high traffic consumer environments, like:

restaurants

gyms

salons

hotels

medical centres

government offices

Average audience of
1.48 million people/month

During playback,
your video advertisement
will occupy the full screen.

Every TV operates on a 20 minute loop

Service Ontario

Thousands of people go to Service Ontario each month, and we have a network of TVs in front of these consumers to give businesses a chance to connect with them.

This network is aimed at women who are out spending money in salons, day spas, and retail environments. A lot of successful clients include businesses relating to the home (i.e. Kitchen Renovations, Landscaping, Furniture Retail, and also Clothing Retail).

Women's Network

Medical Network

This network offers our clients the ability to communicate to a very captivated audience in waiting areas. Health practitioners like Physiotherapists, Chiropractors, Orthotics Specialists do well utilizing this Network.

The Professional Family Network is devoted to targeting young couples, intermediate families, and professionals who are out being active in the community.
